Yuva Computer Saksharata Mission

PRESIDENT'S

MESSAGE

Now a days, Information Technology and computer knowledge has become a basic need among students irrespective of age, category and gender. It has become one of the fastest growing industries in today's scenario which is providing thousands of job to well trained professionals. Information technology is providing the upcoming future that will modify the world.

All India Yuva Computer Saksharata Mission(AIYCSM) is an autonomous institution motivated to fulfill the dream of literate India. The main objective of this institution is to spread the computer literacy programme and the concept of e-literacy among the peoples of all classes. AIYCSM develops its own syllabus, study materials taking the help of teachers/ experts from various academic and vocational Institutions and organizations. In the interest of the AIYCSM has introduced online admission throughout' the year (24 X 7) to facilitate registration with this organization. With this option the students can get the chance to admit themselves in the institution by

(A) Registering with AIYCSM directly through online.

(B) Visiting the nearest study centre. AIYCSM has introduced online tutorial system and online examination system for the students of interior or remote areas. AIYCSM offers more than 35 courses to the students including spoken English training, to provide them all round technical Knowledge as the requirement of industry.

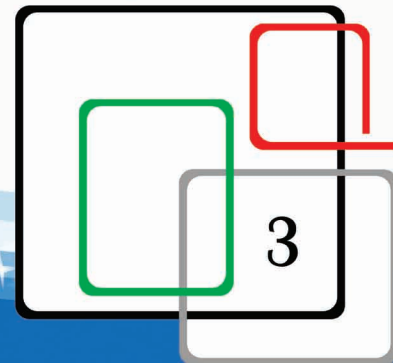

Once again I welcome you to AIYCSM with the hope that your dream will be fulfilled and your learning will be meaningful.

With Best Regards

Durba Dey

President

Yuva Computer Saksharata Mission

AIMS &

OBJECTIVES

With the motto "Education is the root of every success", All India Yuva Computer Saksharata Mission follows the principle of computer literacy to impart computer education to all classes of people. One of the main objectives of this mission to spread computer knowledge to the down trodden, backwards, detainees, Handicapped, war-widow, Minority community, SC, ST, OBC etc at concessional fees. The medium of the educational Programme will be according to their Regional Language. MCQ Type Questions will be set in Hindi and English but students will be allowed to answer in their own language. AIYCSM will also Provide Job Opportunities to the successful students through collaboration with different organisations.

New Initiative

NCSY

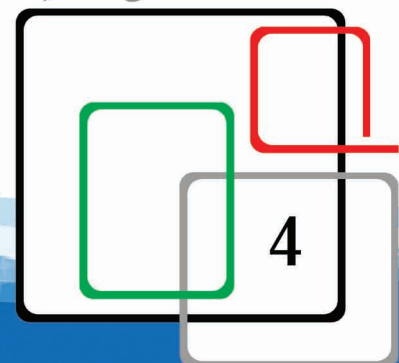

Netaji Subhash Computer Siksha Yojana

Netaji Subhash Computer Siksha Yojana is a Computer literacy programme introduced by All India Yuva Computer Saksharata Mission and encouraged by Govt. of India for propagation of computer literacy among the school students of interior India. These courses are designed for the students of Class V to X on the basic computer education of duration 11 months. This Programme is Highly Appreciated and Encouraged by Honourable **Presidents Secretariat, Government of India.**

Yuva Computer Saksharata Mission

PHILOSOPHY

- 1) To improve the educational status of people by organizing various types of educational programmes.
- 2) To maintain and run All India Yuva Computer Saksharata Mission as per guidelines and educational policy of state and Central Government, ministry of Education, Ministry of Human Resource Development, Ministry of Labour and Employment, etc.
- 3) to educate people by giving them job oriented education and training.
- 4) To hold examination and to grant certificates of proficiency or other academic distinctions or title to persons who have compiled the Courses with the conditions laid down in the regulations of the mission.
- 5) To promote, establish, support, maintain or grant aid to institutions for the promotion of science and technology and e-literacy through all over India and rest of the world.
- 6) To arrange/establish and maintain centres to promote computer education, vocational training and non formal education.
- 7) To provide adequate knowledge of computer. The main focus of this programme is to provide sound knowledge in computer application and its maintenance at very nominal and affordable fees.
- 8) To provide free computer education to the people who belongs to the lower category/ SC/ ST/ OBC/ widow and disabled peoples.

WE PROVIDE

SMS Alert:

After successful admission students will receive a sms with their roll number at their registered mobile number.

Online Verification

Online verification can be done in following way: Student Verification: After the registration into AIYCSM the student may verify his or her details from the AIYCSM's website. If any correction requires the students should contact the study centre or directly send a mail to the head office of AIYCSM.

Online Payment:

Students/Study Centres can pay the fees through online payment system.

Online Study Material:

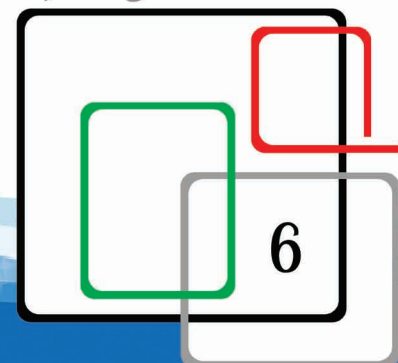

Students can download study material from our website using their enrollment number and date of birth.

Teaching Methodology:

All India Yuva Computer Saksharata Mission (AIYCSM) offers a high level of computer education with personal care through by highly qualified and experienced faculty and highly innovative teaching with audiovisual aid. Regular classroom teaching is supplemented with the practical and interaction with professional experts. The tutorial time is divided into theory and practical session. Apart from regular exercise students are allowed to utilise the unlimited machine to exercise their mind, boost their creativity and increase their level of curiosity. This builds up the self confidence, which allows exploring the wide horizon of computer, and gradually shapes them into confident professional. Review: It is the session before starting the main theory class in which discussion on the last session delivered. Theory: It is the combination of theoretical and practical demonstration. Practical: It is the session in which practice on assignment, question bank & Real life data or practices are to be done.
